2.2 **Voting by proxy**

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and
- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must only vote on a poll;
- (iii) if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (ii) the appointed proxy is not the chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 **Chair's voting intentions**

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 1, even though this Resolution is connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

2.4 **Submitting questions**

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at info@kingslandminerals.com.au by 5:00pm (AWST) on 25 November 2024.

Shareholders will also have the opportunity to submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

3. **Annual Report**

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2024.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available online at: <https://www.kingslandminerals.com.au/investor-centre/asx-announcements>;
- (b) ask questions about, or comment on, the management of the Company; and

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's Auditor about:

- (a) the preparation and content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and

(d) the independence of the Auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so.

4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2023 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2025 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

4.2 Board recommendation

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. **Resolution 2 – Re-election of Director - Nicholas Revell**

5.1 **General**

Article 7.2 of the Constitution and Listing Rule 14.4 both provide that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment or three years, whichever is longer.

Article 7.2(b) of the Constitution provides that a Director who retires in accordance with article 7.2(b)(iii) is eligible for re-election.

Accordingly, Nicholas Revell, a Director appointed on 12 February 2021, retires at this Meeting and, being eligible and offering himself for re-election, seeks re-election pursuant to Resolution 2.

5.2 **Nicholas Revell**

Mr Revell is a geologist and has over 30 years' experience as an exploration/mine geologist specialising in gold, iron ore and base metals. He has held several senior positions in mining, exploration geology and project evaluation, working for ASX and TSX mineral exploration companies across a range of minerals. Mr Revell was previously a director of ASX listed companies including Tyranna Resources Ltd (ASX: TYX) and Orinoco Gold Ltd (ASX: OGX). Mr Revell meets the requirements of a Competent Person as defined by the JORC Code 2012 for several commodities and mineralisation styles relevant to the Company.

Mr Revell does not currently hold any other material directorships, other than as disclosed in this Notice.

If elected, Mr Revell is not considered by the Board (with Mr Revell abstaining) to be an independent Director as he is a director and shareholder of Trafalgar, a substantial Shareholder of the Company.

Mr Revell has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 **Board recommendation**

Resolution 2 is an ordinary resolution.

The Board (other than Mr Revell who has a personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of this Resolution.

6. **Resolution 3 – Approval of 10% Placement Facility**

6.1 **General**

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

6.2 Listing Rule 7.1A

(a) Is the Company an eligible entity?

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$12,289,960, based on the closing price of Shares (\$0.20) on 21 October 2024.

(b) What Equity Securities can be issued?

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the eligible entity.

As at the date of the Notice, the Company has on issue one quoted class of Equity Securities on issue, being the Shares (ASX Code: KNG).

(c) How many Equity Securities can be issued?

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A = is the number of Shares on issue at the commencement of the Relevant Period:

(A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

- (B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
- (1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
- (1) the agreement was entered into before the commencement of the Relevant Period; or
 - (2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (D) plus the number of partly paid Shares that became fully paid Shares in the Relevant Period;
- (E) plus the number of fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and
- (F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity.

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12-months before the date of the issue or agreement to issue that are not issued with Shareholder approval under Listing Rules 7.1 or 7.4.

(d) **What is the interaction with Listing Rule 7.1?**

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity

Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 6.2(e)(i) above, the date on which the Equity Securities are issued,

(Minimum Issue Price).

(f) When can Equity Securities be issued?

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier of:

- (i) the date that is 12-months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

(g) What is the effect of Resolution 3?

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) Final date for issue

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

(b) Minimum issue price

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) Purposes of issues under the 10% Placement Facility

The Company may seek to issue Equity Securities under the 10% Placement Facility

for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Share on issue (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.10 50% decrease in Current Market Price	\$0.20 Current Market Price	\$0.40 100% increase in Current Market Price
61,449,800 Shares Variable A	10% Voting Dilution	6,144,980 Shares	6,144,980 Shares	6,144,980 Shares
	Funds raised	\$614,498	\$1,228,996	\$2,457,992
92,174,700 Shares 50% increase in Variable A	10% Voting Dilution	9,217,470 Shares	9,217,470 Shares	9,217,470 Shares
	Funds raised	\$921,747	\$1,843,494	\$3,686,988
122,899,600 Shares 100% increase in Variable A	10% Voting Dilution	12,289,960 Shares	12,289,960 Shares	12,289,960 Shares
	Funds raised	\$1,228,996	\$2,457,992	\$4,915,984

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price (\$0.20), being the closing price of the Shares on ASX on 21 October 2024, being the latest practicable date before this Notice was signed.
 - (b) Variable A comprises of 61,449,800 Shares as calculated on 21 October 2024.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

5. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued any Equity Securities under Listing Rule 7.1A.

(g) **Voting exclusion statement**

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 **Board recommendation**

Resolution 3 is a special resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

7. **Resolution 4 – Adoption of proportional takeover provisions in the Constitution**

7.1 **General**

In accordance with section 648G of the Corporations Act, a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply on the third anniversary after adoption or renewal as appropriate unless otherwise specified.

When the provisions cease to apply the company's constitution is modified by omitting the provisions.

A company may adopt or renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders)

The proportional takeover provisions set out in schedule 5 of the Company's Constitution were adopted on 5 November 2021. Accordingly, the proportional takeover provisions included in the Constitution lapsed on the third anniversary of that date, being 5 November 2024.

Resolution 4, is a special resolution which will enable the Company to modify its Constitution by adopting schedule 5 for a period of 3 years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of schedule 5.

The Company is permitted to seek further Shareholder approval to renew this schedule for further periods of up to 3 years on each occasion.

A copy of the Constitution was released to ASX on 9 June 2022 and is available for download from the Company's ASX announcements platform.

7.2 **Proportional takeover provisions**

A proportional takeover bid is an off-market takeover bid where the offer made to each shareholder is only for a specified proportion of that shareholder's shares. If a shareholder accepts a proportional takeover bid, the shareholder will dispose of that specified proportion and retain the balance.

The proportional takeover provisions set out in schedule 5 of the Constitution provides that the Company is prohibited from registering a transfer giving effect to a takeover contract resulting from acceptance of an offer made under the takeover bid unless and until a resolution to approve the bid is passed or taken to be passed in accordance with the terms set out in the Constitution and the Corporations Act.

This schedule will cease to have effect on the third anniversary of the date of the adoption of the schedule.

If Resolution 4 is passed, then for a period of 21 days after the Meeting, holders of 10% or more of the Company's Shares will have the right to apply to the Court to have the Resolution set aside. The Court may set aside the Resolution if the Court is satisfied in all the circumstances that it is appropriate to do so.

7.3 **Information required by section 648G of the Corporations Act**

Pursuant to and in accordance with section 648G of the Corporations Act, the information below is provided in relation to this Resolution 4:

(a) **Effect of proportional takeover provisions**

- (i) If a bidder makes a proportional off-market takeover bid in respect of a class of securities in the Company (**Proportional Bid**), the Company will be prohibited from registering the transfer giving effect to a contract resulting from the acceptance of the Proportional Bid unless and until a resolution to approve the Proportional Bid is passed by a simple majority or the deadline for obtaining such approval has passed.
- (ii) If Resolution 4 is approved and a proportional takeover bid is made for a class of securities in the Company, the Directors will call a meeting of holders of bid class securities to vote on a resolution to approve that bid. The bidder and its associates would be excluded from voting on the approving resolution.
- (iii) The vote on the approving resolution must take place more than 14 days before the last day of the bid period.
- (iv) If the approving resolution is rejected before the deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered.
- (v) If the approving resolution is not voted on, the bid will be deemed to have been approved.
- (vi) If the approving resolution is passed (or deemed to have been passed), the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution).

The proportional takeover provisions do not apply to full takeover bids.

(b) **Reasons for proportional takeover provisions**

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These proportional takeover provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and may assist in ensuring that any partial bid is appropriately priced.

The Board believes that the proportional takeover provisions are desirable to give shareholders protection from these risks. They give effect to a protection that the Corporations Act provisions are intended to provide.

To assess the merits of the proportional takeover provisions, Shareholders should make a judgement as to what events are likely to occur in relation to the Company during the three year life of those provisions.

(c) **Knowledge of any acquisition proposals**

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) **Advantages and disadvantages of proportional takeover provisions during the period in which they have been in effect**

The Corporations Act requires this Explanatory Statement to discuss retrospectively the advantages and disadvantages for Directors and shareholders of the proportional takeover provisions which are proposed to be adopted.

While the proportional takeover provisions have been in effect, there have been no takeover bids for the Company, either proportional or otherwise. Consequently, there are no actual examples against which to review the advantages or disadvantages of the proportional takeover provisions for the Directors and Shareholders of the Company.

(e) **Potential advantages and disadvantages of proportional takeover provisions**

The Corporations Act also requires this Explanatory Statement to discuss the potential future advantages and disadvantages of the proportional takeover provisions for both Directors and Shareholders of the Company.

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The Board notes that it could be argued that the proportional takeover provisions are an advantage to the Directors as a takeover defence mechanism that could be exploited to entrench the incumbent Board. However, the Board believes that argument ignores the basic object of the proportional takeover provisions which are to empower Shareholders, not the Directors.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (i) proportional takeover bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a premium;
- (iii) individual Shareholders may consider that the proportional takeover provisions would restrict their ability to deal with their Shares as they see fit; and
- (iv) the likelihood of a proportional takeover bid succeeding may be reduced.

7.4 **Recommendation of the Board**

Resolution 4 is a special resolution.

The Board does not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that adoption of the proportional takeover provision set out in schedule 5 of the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.
